Seasonal Greenkeeper – 2027 Season

Crownwood Club | Ängelholm, Sweden

Crownwood Club is seeking motivated and enthusiastic individuals with a can-do attitude to join our course maintenance team for the 2027 season. Since opening, Crownwood has quickly established itself among Europe's leading golf destinations, ranked **No. 1 in Sweden and among the Top 20 in Continental Europe**. Featuring an 18-hole championship course and an 11-hole short course, we pride ourselves on exceptional course presentation, sustainability and continuous improvement. We offer an exciting opportunity to be part of a dedicated team committed to maintaining and developing world-class playing conditions.

The Role

As a Seasonal Greenkeeper, you will be part of a dedicated and experienced team responsible for maintaining and presenting our golf courses to the highest possible standards.
Your responsibilities will include:

- Daily preparation and maintenance of greens, tees, fairways and surrounding areas.
- Operating a wide range of modern turf maintenance machinery.
- Course setup, including mowing, bunker preparation and general presentation.
- Assisting with renovation projects and seasonal maintenance programmes.
- Supporting tournament preparation and course presentation.
- Working closely with the wider greenkeeping team to maintain consistently high standards.

About You

We are looking for individuals who take pride in their work, enjoy working outdoors and have a positive attitude towards teamwork.

Ideally, you will have:

- Previous greenkeeping, grounds maintenance or landscaping experience.
- Experience operating turf maintenance machinery.
- An eye for detail and a commitment to producing high-quality work.
- A reliable, flexible and proactive approach.
- The ability to work both independently and as part of a team.

Previous greenkeeping experience is an advantage but not essential. We welcome applications from motivated individuals who are eager to learn and develop within the industry.

What We Offer

- The opportunity to work at an ambitious and developing golf facility.
- Experience maintaining high-quality playing surfaces using modern equipment and techniques.
- A supportive team environment with experienced greenkeeping professionals.
- Opportunities to develop practical skills and expand your knowledge of golf course management.
- Involvement in tournament preparation, renovation projects and day-to-day course operations.
- On site accommodation provided on request.
- Full uniform & PPE provided.

Position Details

Location: Crownwood Club, Ängelholm, Sweden
